

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Bobby Gilleylen v James Harrington**
Docket No. **260010**
L.C. Nos. **04-000182, 02-00212-CK, and 01-000658-NO**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The motion to waive fees is GRANTED for this case only.

The delayed application for leave to appeal from the October 9, 2001 order entered in L. Ct. No. 01-000658-NO is DISMISSED for lack of jurisdiction seeing as appellant failed to file the application within 12 months of the date of entry for this order as required by the court rules. MCR 7.203(B)(1) and 7.205(F)(3). Second, the delayed application for leave to appeal from L. Ct. No. 04-000182 is DISMISSED as premature since appellant failed to provide this Court with any order upon which to base his appeal. Last, the delayed application from the federal cases is DISMISSED for lack of jurisdiction since this Court has no power to review the decision of a federal court. See MCL 600.308 and 600.309.

The motion for leave to file brief in excess of page limitations is DENIED as appellant failed to demonstrate extraordinary and compelling reasons why this Court should accept his approximately 1,400-page pleading. Within 21 days of the certification of this order, appellant shall file a delayed application for leave to appeal in the form of a brief that conforms to all the requirements of MCR 7.212(C), that has 1-inch margin, that is double spaced, and that does not exceed 50 pages in length. Failure to file this pleading within the time allotted will result in the dismissal of the appeal for failure to pursue it in accordance with the court rules. See MCR 7.201(B)(3) and 7.216(A)(10).

The motion for immediate consideration, the motion to add new grounds, the motion to consolidate, and the motion to appoint counsel are DENIED as meritless.

The motion to extend time to file an answer is DENIED without prejudice to renew if necessary after appellant files an application in conformance with the this order.
